

## DV Choir Council Meeting Minutes

Date: 10/25/22

### General Announcement

- PO approved for jazzmad NAU trip (specifically concert tickets and performances)
- PO approved for concert programs for the whole year
- PO approved for purchase order for cante's jewelry and bow ties

### Reps

- Announce:
  - coffee house auditions (11/7-11)
  - announce need for stage crew for Pat's coffeehouse (mention volunteer hours)
  - need for jugs
  - official fundraising meeting on November 2
  - capstone project for any seniors
- All: send out the chocolate form

### Executive

- For the presidents/vice presidents: text remind to find days that work for a library cleaning and reorganize
- Sophia - Did we decide who's taking pics at the next concert? The pictures from the district exchange should go into the google drive. We need someone on freshman night in Nov for pictures.
- Julia - Palermo said something about the written council notes not being in the minutes. How are you formatting your minutes? Do you need us to go slower so you can write everything down?
- Klarissa - We're gonna start meetings with expenditures just so the council can approve everything for a PO, so if you need something to be approved, just put it on the agenda.
- Ruesha - Is the google drive for photos on the website? Booster minutes? The Boosters secretary should have those. The newest council minutes? Details for

NYC? Make sure the orchestra concert date is on the website.
