 - DO NOT BOTHER THE REPS WITH QUESTIONS ABOUT ROOMS
 - They are being made, it is a process.
 - It's coming out when it's coming out and not a moment sooner.
 - We trust Abby.
 - VPs computer died.
 - **Chipotle**
 - We must spread the news of this
 - We must get people to go because we cannot physically support the choir fully internally that does not work
 - People like Chipotle, so maybe give people a reason to go eat their food would be cool
 - **Chocolates**
 - Is good to go, Coordinating to pick up chocolates on the 9th or 12th (Friday before we start them)
 - 95 boxes total
 - Roughly 2,375k for student gains (\$25 in student gains per-box sold)
 - We have to find out where to put them, potentially in the Office.
 - We should let the Public know we are selling chocolate, the Public loves the chocolate
 - **Lock In**
 - Due to Regionals, NAU, Disney, and Chocolate all going on at once we are going to act on one of two ideas
1. Valentine's Day: We are going to be celebrating St. Valentine's Day, but we could do a Decorating party for people with Valentine's boxes/bags potentially on a Tuesday since people are already often here on Tuesdays.
- Valentines lock in feb 6th availability
 - All present: (currently) yes

2. Field Day: we reserve a Field for 4th quarter where we can run around in the great outdoors and maybe even throw spherical objects at each other

- **Bigs/Little List**
 - Still in progress
 - Ms. Flores says to 'push her'
- **Regionals people**
 - Practice
 - Break both your legs and scream in terrible agony
 - We are all going to need emotional support
- **Ms. Flores Notes**
 - We must have money because we have no money
 - Particularly we need individual fundraisers because people need financial aide and we can't really grant that with public fundraiser
 - Volunteers from Honors Society for Regionals
 - We cannot fulfill our own choirs needs
 - Auditions are currently in motion
