## Today's Agenda(s) Discussed

*"I CHUGGED 2 ENERGY DRINKS IN 2 HOURS" - Aiden, while shaking*

### Lock in

- Next Tuesday, after bring a box
- Get a fishbowl for all the VP cares
- Decorate it and be fun and cute and amazing
- VP demands we stop being distracting
- The president asks we all go; as this is as close to mandatory as we can possibly make it without actually making it mandatory and using violence

### Song Intro

- All are due tomorrow,
- For Juniors, due by the 7th
- Reps should remind people of this fact

### Packing List/Rooms

- Send and resend stuff
- Make sure everybody in J.A.M (it is an acronym, people) brings all their stuff, tux, Jazz clothes, pearls, dresses, pearls, etc.

### Chocolates

- We have two main funds, Student funds and tax credit funds
- Student Funds can be anything we want
- Tax Credit Funds must be Educational Extracurricular
- They are demanding that we break it down into Educational/Non-Educational; this has depleted our student forms drastically. And are now informing us we are short several hundred dollars on chocolate, so we ordered less.
- We may end up restricting selling chocolate for lower choirs in order to try and support the choirs going to california.
- The distribution plan is still to pick up and distribute on the day of the 12th
- Hide the chocolate; the rats are coming for it.
- *They're in the WHALLS!*

### Pops

- It approaches. Begin considering things, such as; would you like to help with storyboarding or choreography, or do you have a song that you like?
- If so, please, take note of the songs you like, or consider if you would like to be a part of choreo or storyboarding.

**Sight Reading**

- Do ur sight reading factory
- It is terrible but it does help
- That stuff made us get 8 people in regionals
